RATIONALE:

As an essential community hub, Bracebridge Public Library makes available information on non-profit community activities, agencies and organizations in order to facilitate access to resources within the community and as a partner in promoting community services and events. The Library encourages the display of bulletins, brochures and posters regarding events in order that residents and visitors can fully participate in community activities. This policy sets out the types of information suitable for collecting, displaying and distributing at the Library.

DEFINITIONS:

Non-profit:

Generally refers to an organization whose profits are not passed on to its members. Such an organization may carry on activities that may realize a profit, provided that those activities do not constitute the primary activity of the organization and that the funds realized are used for the objectives of the organization and not passed on to its members.

POLICY STATEMENT:

Promotional materials for library programs and library co-sponsored programs are given first priority for use of this space.

Bracebridge Public Library cannot guarantee that everything will be posted or displayed and reserves the right of refusal, removal and disposal.

The Library provides this space for:

- a) Municipal services
- b) Community groups
- c) Educational organizations
- d) Health and social services agencies
- e) Recreation and cultural institutions

Because space is limited, it may not be possible to display all materials that are acceptable under this policy. The library will display materials for a limited time subject to the availability of space and no sooner than 1 month prior to the event.

Due to space limitations, the library prefers letter-sized posters. Larger materials will be posted only if space permits.

The Library is not responsible for any damage to, or theft of display items, equipment or posted material. The Library assumes no responsibility for providing materials or special assistance in setting up or taking down displays.

All posting must be submitted to library staff for approval.

Posting of notices on library bulletin boards does not indicate endorsement by the library of the policies, beliefs, ideas, issues or events promoted.
