What's Going on in the Library:

The **Read Across Canada contest** continues until the end of the year so over the summer you may have a chance to add some provinces to your passport. If you have not yet started, simply pick up a passport and a reading list from the display in the lobby of the Library.

Each time you read a book from a different province or territory, let us know and we will stamp your passport. All completed passports will be entered in a draw in December for a special prize package.

Our annual **Sensational Summer Reading Contest** for adults and teens is underway. Pick up your entry form at the Circulation Desk and check out this year's Canadian titles. You have until October 7 to read all entries, rate them on your form, and return the completed form to the Library. The big draw for the winner will be held during Ontario Public Library Week in October.
